Communications

Timely and substantive communication is critical to the overall mission of VML. As such we are committed to establishing both print and electronic communications to achieve the research, training, and advocacy goals of the organization.

• VML will develop a comprehensive communications strategy in order to tell the local government story and to establish VML as the primary information hub for local government officials.

Engagement

Developing and maintaining an engaged membership is vital to both the short and long term success of VML. We will actively seek ways to engage our membership and to support citizen engagement in our local governments.

• VML will evaluate new ways to demonstrate the value of membership in VML along with the value of being an active participant in the association and our conferences.
• VML will work to identify ways to improve citizen engagement, including ways to enhance the civics knowledge of Virginia’s students.
• VML will identify and implement programs to encourage the membership to play a more active role in advocacy at both the state and federal level.

Finance

In order to evaluate existing programs and plan for the future of the organization, VML must maintain a strong financial position. VML is committed to maintaining and modernizing accurate and appropriate financial systems.
